HAPPY MOTHER’S DAY 2016
By: Cindy Clark, ESL Teacher

If we are lucky, we are able to come full-circle in life. My mom, Lorraine Clark has been fortunate to see her great-grandchildren and grandchildren.

Lorraine Clark is pictured here circa 1949 with her first two sons. The son on the left is the grandfather of the son below, Hobie Clark.

My mom was recently honored at the age of 88 years old with great grandchild number twenty-one, Natasha Roman Martos.

Happy Mother’s Day!

AN EXCITING SPRING BREAK TRIP
During spring break, my daughter Hanna took a trip with her classmates to Washington D.C. I was very hesitant to send her off across country without me, but she went for five days. I ultimately wanted to give Hanna an experience that she would never forget and have the opportunity to learn about American history. She visited many landmarks and monuments.

Congratulations Janice!

Janice Corwell has been with RACE since 2001. She has been an Instructional Assistant in ESL, ASE and is currently assigned as an Instructional Assistant for the Parent Education class since 2004.

She has made a major impact in the Parent Ed program as she has been instrumental in revising the Parent registration process to make it easier for parents to enroll and for parents to provide the necessary documentation prior to their enrollment in class. She contributes in program area meetings and is a vital team player in the development of the Parent Ed class lessons.

Janice is a stickler for detail and at the same time embraces the adults and their child. She works with the parents to help them understand how to help their child with socialization skills and the other ancillary skills necessary for a child to be prepared for kindergarten.

Ms. Corwell exhibits the district core values and should be recognized as the Classified Employee of the Year.

CONGRATULATIONS HANNA!!!
Congratulations to Jessica Marin whose daughter, Hanna will graduate from Sacred Heart Catholic School on June 8, 2016. Hanna will be attending Bishop Amat High School….

As we wrap up another school year, I would like to give a few shout outs to some deserving people.

Kudos to Mary Ellen Martinez and Joe Miraglia who have worked tirelessly on tracking down students who were very close to completing their coursework, and convincing many of them to come back and “seal the deal.” With the CAHSEE exam suspended, and the GED scores lowered, many students who previously could not realize their dream of attaining their high school diploma or GED, now have a new opportunity to do so.

Kudos also to Jessica Marin for stepping up and filling in as office manager after Norma left and before Alma joined us. Not only did she do a great job during the interval, she continues to troubleshoot and fill in gaps.

Nice going, Jessica!

A great big THANK YOU to the staff who helps make the newsletter successful!

A Big “Shout Out” to Mr. Kim, Ms. Ma, and Ms. Amy who gave outstanding presentations to our morning class for Open House on April 6th.

Mr. Kim spoke on “Genealogy,” Ms. Ma spoke on “Dress Code” for school in China and Ms. Amy for setting “Personal Goals.”

We were all very impressed with their hard work and they gave us a deep impression on their topics, as well. It was an especially nice Open House because of their contributions.

CERTIFICATED EMPLOYEE OF THE YEAR

Carmen Elsahrty has been a member of RACE since 2000. Originally hired as a substitute to teach the CBET program. She currently teaches a multi-level ESL class at AEC2 and has been an ESL teacher continually since 2000.

She structures her classes so that the students see value in what they learn and do. Carmen deserves the recognition of being selected as RACE’s Teacher of the Year because she exemplifies a strong work ethic. Her positive attitude towards lifelong learning is carried out both in the classroom and with her colleagues. She knows how to refine her curriculum as student needs change over time. Her ability to be flexible and adaptable is evident in her classroom teachings. Carmen has a wealth of knowledge, which she shares with colleagues during professional staff development meetings and monthly ESL teacher meetings.

Carmen is a very open-minded individual who has a thirst for knowledge. She is the teacher who people can ask questions about curriculum and professional development. Carmen has shared her best teaching practices during our staff development meetings. I can always count on Carmen to make positive contributions that will give other teachers new, creative ideas for the classroom.

Carmen is the perfect example of what the District Core Values are all about. There is not one core value that she does not exemplify.
